National LMI Report Release

The Road Ahead: Addressing Canada's Trucking and Logistics Industry Labour Shortage

March, 2020

On March 11, 2020 Trucking HR Canada released its newest Labour Market Information (LMI) report titled, [The Road Ahead: Addressing Canada's Trucking and Logistics Industry Labour Shortage](#) at a national launch event with attendance by industry executives, and sector stakeholders.

Developed in partnership with The Conference Board of Canada and working with various leading research firms, industry stakeholders and other subject matter experts, this comprehensive study measures and assesses the full trucking and logistics industry — providing the most informed analysis to date concerning critical labour gaps and the adverse impacts on the Canadian economy.
