

Registration is now open for the 10th Women with Drive Leadership Summit

OTTAWA, ON (November 22, 2023) — It's time to register for Trucking HR Canada's **2024 Women with Drive Leadership Summit**. The 10th anniversary event takes place on March 7, 2024, hosted at the Westin Toronto Airport Hotel.

This year's theme ***Driving a Decade of Change*** celebrates the profound impact of Women with Drive and the progress of trucking and logistics employers in supporting women's professional goals. This year's summit also promises to help set the direction for the event's exciting road ahead.

“Women with Drive brings industry together to learn, share and celebrate the great women who keep our supply chain moving” says Angela Splinter, CEO of Trucking HR Canada. “As we mark this 10-year milestone – we promise to deliver an impactful day that will keep our momentum going for 10 more years and beyond.”

A decade ago, Trucking HR Canada launched the Women with Drive initiative to support the attraction, recruitment, and retention of women and other underrepresented groups in the trucking and logistics industry. The Summit, a cornerstone plank in the initiative, quickly became the premier event for those committed to fostering real change. A call to take the popular event across the country, sparked partnerships with provincial trucking associations and kicked-off *Women with Drive Hits the Roads* networking events from coast-to-coast, as well as the *Western Women with Drive* conference in Alberta.

Women with Drive Leadership Summit 2024 will feature keynote speakers, breakout sessions, networking opportunities and an exciting panel discussion. The ***10 Years-10 Perspectives panel*** brings together a diverse group of industry professionals to reflect on progress made over the past decade, identify gaps, and discuss future directions. Panelists from across the country will share unique perspectives from a broad cross-section of key roles within the industry.

Summit attendees will leave equipped with tools to create workplaces that attract and retain top talent across all departments. The work is ongoing, but there's much to be proud of.

EARLY BIRD PRICING STARTS NOW! Ticket price levels are held from the previous year. To reserve a seat or table at Women with Drive at our early bird rate, and to learn more about sponsorship opportunities, follow this: [LINK](#)
