
Ticket sales now open for the 2024 Top Fleet Employers Gala

Celebrate the industry's best fleets in one unforgettable night

OTTAWA, ON (May 27, 2024) – Trucking HR Canada is pleased to announce tickets and tables are now available for the 11th annual Top Fleet Employers Gala (October 17, Toronto). The event is already 60% sold out — act now to avoid disappointment.

This incredible evening of celebration and networking will spotlight 104 organizations that have achieved Top Fleet Employer status in 2024.

“The Top Fleet Employers Gala is always a highlight of our year,” says Angela Splinter, CEO, Trucking HR Canada. “It’s a fun and unique opportunity to celebrate our industry in general, and individual company achievements. It’s also a great way to get inspired by Top Fleet Employers’ innovative ideas and strategies.”

The Top Fleet Employers program is a national initiative that recognizes fleets with HR policies and practices that meet the highest standards in our industry. It is not a competition, but a rigorous review process where applicants are evaluated based on multiple criteria.

During the evening, winners of Achievement of Excellence awards will be announced in 14 categories: Top Small Fleet | Top Medium Fleet | Top Large Fleet | Top Private Fleet/Fleet Services | Employee Engagement | HR Innovation | HR Leadership | Training & Skills Development | Women in the Workplace | Workplace Culture | Workplace Diversity & Inclusion | Workplace Wellness & Mental Health and HR Leader of the Year | .

An exciting new addition to the awards this year, is the inaugural presentation of the **Achievement of Excellence for Community Engagement** (sponsored by Trucks for Change Network/THRC).

The unforgettable night of awards, delicious food, and connection is being held at Toronto’s Palais Royale. Built in 1922, this remarkable art deco building has been home to great musicians such as Count Basie and Duke Ellington. Palais Royale takes its place as one of Toronto’s premier event venues.

After the Top Fleet Employers Gala awards ceremony, ticket holders can head to the speakeasy lounge for an incredible after party. It’s a great time to continue networking with the best in the industry while you celebrate outstanding achievement in the trucking and logistics industry.

Gala tickets are \$475 each plus tax. Tables of 10 are \$4,700 plus tax.

Special reduced airfare for Top Fleet Employers guests is available from Air Canada. A 5% discount applies on standard fares, and a 10% discount on flex fares and higher when travelling to Toronto. To book a flight with our promotion code, choose your flight on aircanada.com and enter promo code: MZ7EKJ81 in the promotion code box
