Trucking HR Canada Welcomes New Board Members

OTTAWA, ON (July 29, 2024) — Trucking HR Canada (THRC) welcomed two new Board members today — Judy Ostiguy, C.A.T. Inc. and Sherry Mossman, Northern Resource Trucking — and announced a new chair: Jason Libralesso, Home Hardware Stores Limited.

“Trucking HR Canada is pleased to welcome Judy Ostiguy and Sherry Mossman to the Board of Directors,” said Angela Splinter, CEO, Trucking HR Canada. “We look forward to working with them and know we will benefit from their many years of expertise in our industry.”

Jason Libralesso, Director of Transportation, Home Hardware Stores Limited has been on the THRC board since April 2023.

Judy Ostiguy, VP, Human Resources, C.A.T. Inc. brings extensive experience in senior roles in the trucking industry. She is a known leader and strong advocate for improving the industry.

Sherry Mossman, Chief Operating Officer, Northern Resource Trucking, brings two decades of senior experience in the trucking and transportation sector. She is a dynamic leader who is highly regarded for her strength in the areas of strategic planning, innovation, and business development.

The Trucking HR Canada Board of Directors is made up of committed and demonstrated leaders from all corners of the trucking and logistics sector who support the organization’s vision to grow a competitive and sustainable supply chain. Their expertise and insight provide strategic direction, empowering THRC staff to develop and implement programs and projects that ensure industry employers have the skilled workforce needed today and into the future.

Splinter also thanked the outgoing Board members for their years of service and contributions. Oksana Exell, past President & CEO of the Western Transportation Advisory Council and Asia-Pacific Skills Table, and now retired, in particular had a long commitment with THRC. She joined the Board in 2016, became Vice Chair in May 2022 and Chair in August 2023 and has played a pivotal role in helping guide the strategic direction of the organization
