Registration open for 2025 Women with Drive Leadership Summit

OTTAWA, ON (November 11, 2024) — It's time to register for the **2025 Women with Drive Leadership Summit** (March 6, 2025; Westin Toronto Airport Hotel) presented by Trucking HR Canada.

The event is attended by 300 industry leaders, developing leaders and change makers who are committed to advancing the participation of women and other underrepresented groups in Canada's trucking and logistics sector. The Summit, now in its 11th year, is the flagship event for organizations from coast to coast that are intent on fostering real change.

"Women with Drive brings our industry together to share, learn, and network with everyone who contributes to progress in trucking and logistics," says Angela Splinter, CEO of Trucking HR Canada. "The full day event features guest speakers, in-person learning, and opportunities to accelerate women's leadership and celebrate our accomplishments."

Surveys of past attendees highlight Women with Drive as one of the best places for professional learning and networking with like-minded career-forward women, including up-and-coming leaders. This year the event includes even more professional development sessions and more opportunities to expand your professional network.

This year's theme is ***Accelerate & Lead***. Summit attendees will leave feeling empowered to accelerate their own careers and with tools to lead workplaces that attract and retain top talent across all departments. The landscape for women in our industry is improving every day thanks in part to the individuals and organizations that attend and contribute to Women with Drive.
