# Last call for tickets to the 2025 Top Fleet Employers Awards Gala

**OTTAWA, ON** (September 23, 2025) — If you haven't already ordered your tickets for the Top Fleet Employers Awards Gala, now is the time to do so!

The 12th annual Top Fleet Employers Awards Gala takes place in Toronto on Wednesday October 15. A few tickets are still available – act now to reserve your ticket or table. Ticket sales close Friday September 26.

The annual evening of celebration and networking spotlights 108 organizations that achieved Top Fleet Employer status this year, the largest number ever recognized in the program's history.

"We know this gala evening is a highlight of the year for organizations across the country," says Angela Splinter, CEO, Trucking HR Canada. "It's our sector's time to shine and celebrate our achievements, as well the companies that are leading the way in innovation, resilience, and outstanding HR excellence."

The Top Fleet Employers program is a national initiative that recognizes companies with HR policies and practices that meet the highest standards in our sector. It is not a competition, but a rigorous review process where applicants are evaluated based on multiple criteria, including the results of an employee survey.

During the evening, awards are presented to Top Small Fleet, Top Medium Fleet, Top Large Fleet, Top Private Fleet/Fleet Services, along with nine Achievement of Excellence Awards: Community Engagement, Employee Engagement, HR Innovation, HR Leadership, Training and Skills Development, Women in the Workplace, Workplace Culture, Workplace Diversity and Inclusion, Workplace Wellness and Mental Health. As always, the evening caps off with the coveted HR Leader of the Year.

After the Top Fleet Employers Gala awards ceremony, networking continues with the best in the sector as all TFE's celebrate their outstanding achievements in trucking and logistics.

Gala tickets are \$475 each plus tax. Tables of 10 are \$4,700 plus tax.

Special reduced airfare for attendees is available from Air Canada: 5% off standard fares, and 10% off flex fares and higher when travelling to Toronto (use promo code MZ7EKJ81).
